Tony,
you have been
one of my best friends
since I've been at Bremen.
I hope we stay good friends
for a long, long time. We
ought to think about double
dating with someone she's like
~~real~~ we'll show off. Ha, Ha.
Stay cool, and in trouble.
Love,
Brett #9

Tony,
You're pretty cool but you
can't fish as good as me.
You're a pretty good
friend but you still
owe me some inebriated
rides if you get my
drift. P.S. Don't forget
Sewells, Colts, Florida,
and many other expeditions
you owe me. Tony Johnson

Pope,
I want you to go

Jony,
You are one of the
best friends I have
ever had. Whenever
I need something
I feel like I can
always count on
you to be there.
I hope we'll always
be the best of friends.
You've got a lot going
for you if you'll just
keep your head on
straight.

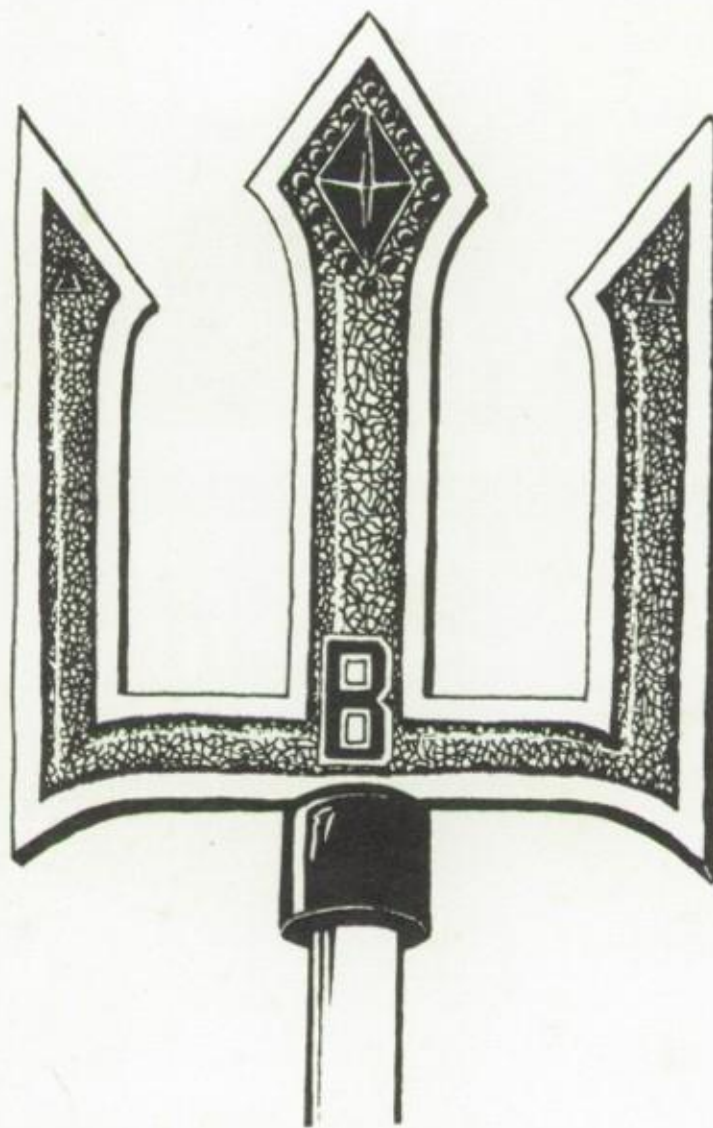

Jony,
What can I say to
such a talented student?
Maybe, try to use your
brain and talent in the
right direction. I always
felt like you may have
been the leader. Good
luck to you. I will
always remember the Fearsome
Five.

Love,
Mrs. Miller

Bremen High School
504 Georgia Avenue
Bremen, Georgia 30110

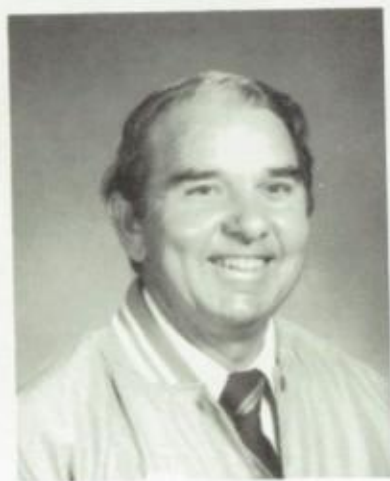

TO MR. BAILEY FROM EVERYONE AT BREMEN HIGH

The 1988 Annual Staff would like to dedicate this year's annual to a man who has been serving Bremen High School for 23 years. He has held numerous positions at Bremen including Head Football Coach, Athletic Director, Track Coach, B-Team Football Coach, Midget Coach, and Guidance Director. He has also sponsored many clubs such as Youth for Christ, FCA, and Y-Club.

Serving in the U.S. Army for two years and in the reserve for eight years, he later received his Master's Degree from Georgia Southern College. He moved to Bremen in 1965 and now is a Deacon and Sunday School Teacher at First Baptist Church and a member of the Bremen Lions Club.

We would like to thank Mr. Paul Bailey for all his hard work in everything he does. With his knowledge and experience, he does many things which are not often recognized but are very important to our school system. We, the students of Bremen High School, say "Thank You" for all your hard work!

IN

MEMORY

O
F

"Kristi"

She was a special friend
whom we knew would always care.

She had a warm and happy smile
that we hoped would always be there.

She was a special friend in whom
we always could confide, but since
that sad day that we lost her our
memories of her will reside.

They'll always be engraved upon
our minds and in our hearts.

So really dear friend Kristi,
from us you'll never depart.

Kristi, you're a part of us
and you'll never cease to be.

That special sister and faithful
friend in all our memories.

We know someday we'll meet
again in a beautiful, peaceful land.

And the Circle of our friendship
will be unbroken once again.

We love you,

D.H., M.C., A.C., K.P., S.S.,

V.H., C.G., A.M., K.G.

KRISTI DAVIS

Kelly, Kristi, and Sharon—3 together, 3 forever. That's what we'd always said.

Kelly, Kristi, and Sharon, we shared our joys and sadness. We talked about our friendship we said would never end. But a phone call late one Saturday night filled our hearts with dread.

3 together, 3 forever—now one of us are dead. A car wreck on a country road took Kristi from our little group of three.

Now Kelly and Sharon are left to grieve because 3 together, 3 forever can never again be.

We miss her smile, we miss her laughter, we miss her silly ways. We miss the long all night talks on the telephone. So many wonderful times we'll never see.

Nothing will ever be the same because one of us are missing.

Our hearts are breaking, our hearts are grieving, but we both have to remember—

God had promised that one day, we'd meet her in the Sky, and 3 together, 3 forever will never again die!!!

Written with love for
all three by Kristi's mother.

BREMEN HIGH SCHOOL ALMA MATER

Bremen High, we lift our voices
Your dear name to praise;
Happy memories will linger
Of our high school days

Chorus

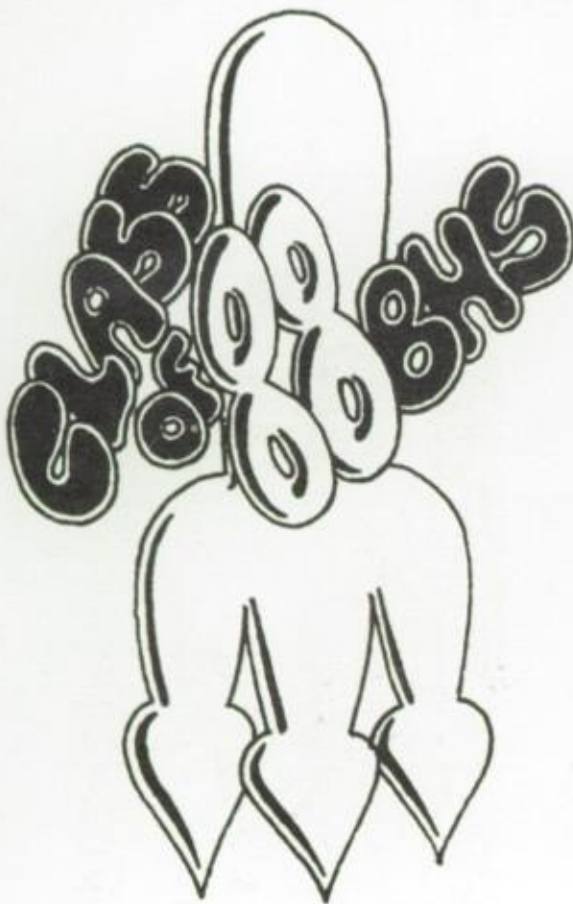

Blue and white are our high school colors,
To you we'll be true,
To ourselves and to each other,
All the ages through.

When our high school days are over,
Sad our hearts will be,
Ever faithful, loyal, loving,
We will be to thee

Repeat Chorus

Words By Myrle Rivers, in 1937

This year's Seniors are an extraordinary class of students. They have succeeded in many things during their four years of high school such as learning to face their problems and overcoming them. They have gained and lost dear friends including a classmate, Brock Burden, who was killed in a car accident in 1985 which crushed many hearts. This group of students made this new year have a new look about it!

This year's Sophomore class is a group with their own individual ideas and a mind of their own. They have produced athletes, scholars, cheerleaders, artists and musicians, and although their interests are varied they remain a close knit group. This year they experienced the loss of a dear friend and classmate which has made them realize the value of friendship. Yes, Kristi Davis will always be with them in their hearts and minds, and she will always remain with them through the many memories she left behind. The Sophomore class at B.H.S. will go forward during their remaining years at B.H.S. as a group who will always be remembered as doing things in their own unique and unconventional way. This is a class who promises to contribute many positive things at B.H.S., now and in the years ahead.

The 1987-88 Junior Varsity Cheerleaders had a great year. They started the season off at NCA camp for one week in June. At camp they received three blue ribbons, and two spirit sticks. This group worked together in everything. They were like sisters growing closer every day. This squad was definitely one of the best at BHS.

Not only did the band make halftimes more entertaining but also they marched in parades getting in all the extra practice to win Superior ratings at both Guntersville and Carrollton Central competitions. The Effect of Gamma Rays On Man-In-The-Moon Marigolds

1 ACT PLAY

1 ACT PLAY

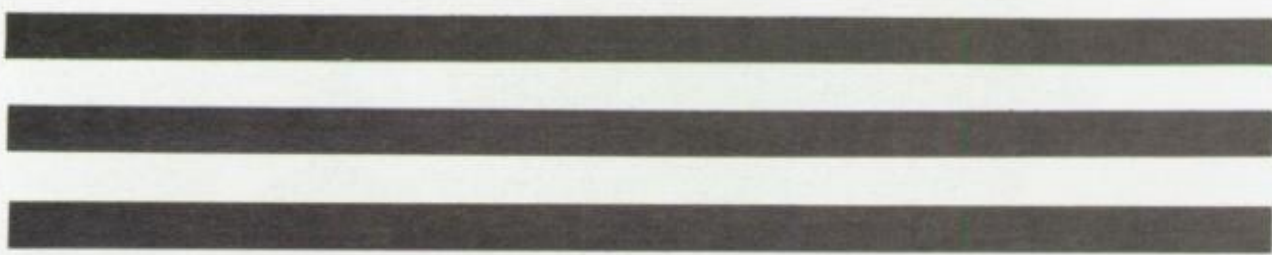

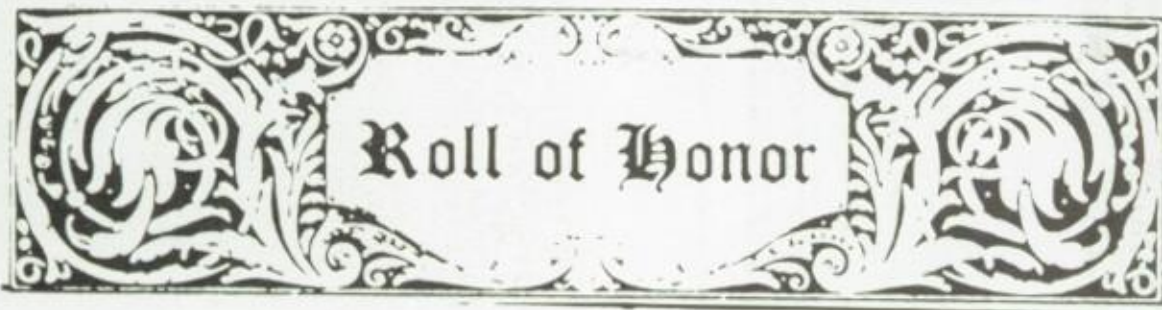

The one-act play produced this fall was taken from the Pulitzer prize-winning play, "The Effect of Gamma Rays on Man-In-The-Moon Marigolds." It is full of complex situations and characterizations. Seniors Kyle Shadix and DeLee Morrow, and Juniors Alysia Hollingsworth and Monica McCarley did a wonderful job of capturing the intense suffering and joy of the Hunsdorfer family. The play won 2nd place in Region, and Kyle Shadix won Region Best Actor for the portrayal of Herbert, the very old man.

The crew was fantastic for "Marigolds." Tracie Crews, Tricia Meunier, Shana Halorday, Christie Hudgins, Jason Powers, Scott Womack, West Hubbard, Crystal Spurling, Bill Hamilton, and Sammy Stanley all did excellent work.

The crew and cast were a bunch of HARD-WORKING theatre people!

We at BHS applaud their superb effort.

What is the sum of the first ten prime numbers? The BHS Math Team Knows! These 20 students represent the school at meets that challenge problem solvers in all areas of math. Berry College hosts the Math League Tournaments where the team competes in both written work and ciphering skills. We're clever, and that's what counts.

FBLA

FBLA, what a year! This year FBLA exceeded the usual duties as a club with help from their adviser, Mrs. Vanessa Brown. FBLA had new, innovative speakers which gave the members exciting ideas and taught new lessons. FBLA is paving the road to the future for students at BHS.

Y-CLUB

The Bremem Co-Ed Y Club is open to membership for students in grades nine through twelve. The purpose of the Y Club is "To create, maintain, and extend throughout the home, school, and community, high standards of Christian Character." Officers for 1987-88 are Scott Hodges, President; Jennifer Grissard, Vice President; Programs; Michelle Abney, Vice President, Membership; Christie Ezzell, Chaplain; Amy Truitt, Secretary; Julie Gore, Treasurer; Meng Lim, School Projects Chairman; Obie Obergon, Community Projects Chairman; Barry Nelson, Publicity; and Stephanie New, World Service. CLOSE-UP

The crew that went to Washington D.C. this year with Close Up would all tell you what a wonderful experience it was. The week of February 6 through February 13 was one of walking through chilly weather and little sleep. The participants met people from Nevada, Texas, and even from Georgia. Much of the day was spent listening to different speakers and finding out exactly what goes on in our nation's capital. Because of the upcoming presidential election, much of the talk revolved around the candidates. Other issues that were discussed were the INF Treaty, school prayer, and abortion. Capital Hill Day was an especially exciting day for the group. Meeting Representative Newt Gingrich was only one of the many thrilling experiences which they encountered. In addition they were able to see "The Odd Couple" at a dinner theater, and the week was complete with the final banquet and dance. Participants: Kristi Blair, Kim Codner, Christie Ezzell, Steven Gilley, Hettie Hague, Meri Hatchett, Chad Long, Darrin Powers, Toni Smith, Neil Vines, and Ellen Williams. Mr. Mike Campbell was their teacher advisor.

THESPIANS

Dear Students,

The Sadie Hawkins Dance was a GREAT success this year! The Thespians bought a new spotlight to be used for all school functions, especially Talent Shows, plays, and the beauty pageants. They are now on a money-raising campaign to buy new curtains for the stages in the gymnasium and lunchroom. The Miss Blue Devil theme this year was "Back to the Beach". The money raised from the beauty pageant will be put toward purchasing the new curtains.

ANNUAL STAFF

With great enthusiasm, this year's Annual Staff created one of the best annuals yet, and we had fun doing it. We had moments of laughter and moments of tears. We may have had some minor complications like losing pictures, but we never missed a deadline.

We had trouble thinking of a theme for this year's annual and finally decided on "A New Year, A New Look." We think the theme suited this year very well because the school has had many changes.

The Annual Staff would like to thank the teachers for their help and support especially Mr. Watts who was always there to help us when we needed him.

We hope you enjoy this year's annual as much as we enjoyed putting it together.

We welcome the newest group of students who came to us in December 1987. Besides being the new kids, this bunch was the first to attend sixth grade in the brand-new Sewell Middle School.

With bright eyes and puzzled faces, they explored the halls of their school with excitement and curiosity.

Dear Students:

You are the first students of Sewell Middle School. Occasionally people are given the special opportunity to build something lasting, something which will contribute not only to them but also to the generations yet to come. You have this rare opportunity, and I hope you will think about the responsibilities you have as the first student body of this school.

Good luck to the eighth graders who have begun laying the foundation for the future of Sewell Middle School. May the seventh graders improve upon this foundation, and may subsequent classes always strive to make Sewell Middle School the very best.

To all of you, the faculty and the student body, I issue this challenge. Let us strive together to make Sewell Middle School a standard of excellence.

Sincerely,

James D. Harris

MIDDLE SCHOOL DRAMA CLUB

The Sewell Middle School Drama Club was very active during the 1987-88 school year. In addition to sponsoring the Second Annual Miss Sewell Middle School Pageant, the members added a new dimension to the Homecoming Parade by entering a Chinese Dragon type float; members also sponsored the Valentine Sweetheart Dance, performed in the Talent Show-"The State Fair"; trekked to Carrollton for the CCCT presentation of "Lil' Abner" and held an end of the year picnic party. The president of the club for 1987-88 was Kara Soughton, Secretary-Treasurer was Gina Atkinson, and Clubperson of the Year was Michelle Ford. The club sponsors were Mrs. Saravia and Miss Cain.

JR. HIGH 4-H CLUB

The Large middle school 4-H Club was made up of sixth, seventh, and eighth graders. This energetic and very intelligent group will be leaders at Bremen High School.

SWEETHEARTS

B H S

As the year of 1988 becomes a memory in our heads and hearts, we think back and realize what a "new" year it was. We began the year with a new principal, with new rules and a whole new middle school building with new sixth grade faces. As we progressed throughout the entire year, we have come to cherish the little moments that made 1988 a special year. Of course, because each person has had different memorable experiences to hold onto, it is impossible to capture everything in this short paragraph.

We say our first hellos to the new sixth grade class and our final good-byes to the seniors knowing that whether it's the class of 1988 or the sixth grade class of 1994 and all of the classes in between, each person will keep the memories of their own years in Bremen High School.
